Catlin is a station point on the Vandalia railroad. It took its origin from the fact that the railroad ran through that part of the township and in the early years of the Civil war, Hiram Catlin, a Mr Montgomery and Henry Miller owning the land, it was thought best to start a town and shipping point. Hence Mr. Catlin erected a grain warehouse there, he having for a partner in his enterprise Thomas Harshman. They bought grain and carried a small stock of general merchandise.

In 1861 a blacksmith shop was built by James Sanderson, and Joseph Terry built a wagon shop. The early growth of Catlin was due largely to the enterprise of James Ray, who came from Ohio to Vigo County in 1820, and to Catlin in 1861. In 1862 he erected his sawmill and in 1865 a good grist mill. He also built a store room, with a public hall above. In all he built seven of the best early-day buildings in the hamlet. A postoffice was secured in 1862, and Thomas Catlin WAS appointed post master by President Lincoln. For many years Catlin was the chief depot for the extensive stave trade of this community, and the material was supplied by two saw-mills near by, Hamiltons and Wakefields.

Today Catlin is a good town, with many excellent business houses and tasty residences. Its population is less than two hundred. The schools, churches and lodges of this town, as well as all others in the county are treated under separate headings.

# FAMILY TEMPERANCE PLEDGE

GOD BLESS OUR HOME

## WHY SIGN THE PLEDGE BECAUSE

1. Moderate drinking tends to drunkenness, while total abstinence directly from it.
2. While no one means to become a drunkard, there is said to be over six hundred thousand confirmed drunkards in our country to-day.
3. Intoxicating drinks can do no good as a beverage, and there are always safer and surer remedies to use in case of sickness.
4. The idea of moderation is full of deceit, and our estimate of the power of our own will is usually a mistaken one.
5. The drinking habit is the cause of the larger portion of the misery, poverty and crime in our land.
6. Both science and experience prove that even moderate drinking is injurious to health.

## WHY SIGN THE PLEDGE BECAUSE

7. Eternal interests are often forfeited through drink, for the Bible declares that no drunkard shall enter heaven.
8. The Bible pronounces no blessing upon drinking, but many upon total abstinence.
9. It is easier to keep a pledge publicly, solemnly given than a simple resolution.
10. The pledge protects us from the solicitations of friends and removes us from the temptations of the saloon.
11. Persons miscalculate their ability to drink in moderation, and become slaves to the drinking habit before they are aware of it.
12. Intemperance obstructs civilization, education, religion and every useful reform.

BELIEVING IT TO BE BETTER FOR ALL — WE —

THE UNDERSIGNED SOLEMNLY PROMISE,  
BY THE HELP OF GOD,  
TO ABSTAIN FROM THE USE OF ALL  
INTOXICATING DRINKS AS A BEVERAGE.

Miss Corinne Catlin

Evansville, IN 47708

Dear Miss Catlin:

Your letter of Sept. 12 was forwarded on to me by the museum curator. A week's vacation in Las Vegas helped delay its answer. Forgive me.

Working a 40-hour week as Women's Editor of the TERRE HAUTE TRIBUNE and SUNDAY TRIBUNE-STAR, writing the historical column and genealogy column also, teaching a class in genealogy at Indiana State University, and my work with DAR and the Vigo County Historical Society keep me almost too busy to tackle anyone's family tree problems.

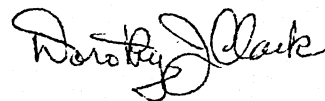

As a professional genealogist I charge \$7.50 per hour (inflation has hit everyone) and really won't have time for another client until later in November.

The answers to many of your questions are in local histories, and I have indexed all five of the Vigo County histories, family Bible records volumes, and am Vigo County cemetery commissioner, etc. etc.

I was well acquainted through DAR with Ione Gilbert. Her DAR papers are on file with me. I'm Chapter Registrar.

I will keep this Catlin information on file, hoping to find time to help you with it if needed.

Sincerely yours,

*Catlin Family*

May 1979

Dear Catlins and Catlin Descendants:

Possibly you may be one of the many descendants of my six-great grandfather Thomas Catlin, who came to Connecticut Colony in the 1640's, or of one of the other early Catlin immigrants.

Catlin descendants everywhere have been ancestor-hunting in recent years, but since the death of Louise Catlin Cleaver Roloson in 1974, only one has been researching all branches of American Catlin families. She is Betty Hall Payne, with whom some of you are already in correspondence. To others I am sending this letter to introduce her as our Catlin historian. She has added hundreds of names and records to Mrs. Roloson's unpublished collection and my hope is that, although there is still a lot of research to be done first, she may some day be the author of our comprehensive Catlin genealogy.

There are three ways to help this Catlin history grow and I urge you to do any or all of them. First and most important, if you haven't already done so, write to Betty and tell her your own Catlin lineage, so she can be sure it is shown correctly in her files. If you don't know the full lineage, tell her what you do know: the names of your siblings, parents, grandparents, etc., for as far back as you can. Always give full names and all the dates and places of residence you know, because time and place are often vital clues to an ancestral line. Betty answers all letters and will be glad to exchange information with you.

Second, if you know of someone else who has done Catlin research, put Betty in touch with him or her so they can help each other. Forward photocopies of this letter to people you think will be interested. Spread the word!

Third, her running costs are surprisingly high, even for mere supplies, photocopying, and postage. She pays ever-increasing charges for records from courthouses, The National Archives, state and private libraries, etc., and her transportation costs for research are no small matter. So far she has had nearly no help with these expenses, but I have lent a hand and I am encouraging her to accept a hand from those of you who want to help. My hope is that you will.

For all three purposes, address her until July 1, 1979: Mrs. Robert O. Payne, 4455 Douglas Avenue, Riverdale NY 10471 (phone 212/796-8892). After July 1, 1979: 1951 Catalpa Avenue, Anaheim CA 92801 (phone 714/774-3654).

As for myself, business and travel occupy much of my time. My 90th birthday will arrive in November and some time before that I expect to marry again. It gives me pleasure to greet Catlin cousins everywhere, known and unknown.

HELLO!

# "PILLOW TALK"

What a pleasant story in the Press last night about the small company among whose employees a 61-year-old is practically the "baby" of the group. The president of the company, Hoyt Catlin, is 85. One of the women still working for him is 91 and the average age of his total staff is 65....compulsory retirement age in a majority of the nation's businesses and industries. Mr. Catlin, a most enterprising man, founded his small company when HE was 65 and said he didn't start out with the idea of hiring "older folks". It just turned out that way and he isn't sorry. He says his work force has less absenteeism and employee turnover than any company of its size he knows. An interesting facet of the story - to those of us who have been at Welborn for a number of years - is that the name CATLIN is very familiar to us from long association with another bearer. She is Corinne Catlin who was chief dietitian here for 32 years before her retirement in December, 1973. But the similarity between Hoyt and Corinne Catlin goes beyond the name. Although retired from "paid" employment in her chosen profession, she is one of the most active women we know. Travels extensively, works with the Mental Health Association and is very involved with the local, State and American Dietetics Associations. She also is a life member of the Welborn Auxiliary with which she worked closely during her many years as a dietitian and now serves as an active volunteer. One can't help wondering if the two Catlins - Hoyt and Corinne - aren't related, although he's from Connecticut and she is a native Hoosier. Must remember to ask her some time.

Speaking of volunteers....have you noticed the bright-faced, handsome young teens in striped uniforms around the Hospital this week? The Candystripers are with us for the summer and it's always a pleasure to see them return en masse after the end of the school year. They supplement the work of staff in many ways and, with their appearance, the adult volunteers are able to take a summer break from their duties as Pink Ladies. Some Candystripers work all year long - after school and on weekends, but most confine their hospital volunteer activities to the summer months. We're grateful to them for giving part of their vacation time to helping us serve our patients.

Here's a puzzler for you: A blind man, exiled for treason, was rowed to an island which was henceforth to be his home. He was told only two things: 1) that the island inhabitants were half pigmies and half giants; and 2). that the pigmies only told lies, and the giants spoke only the truth. Left alone on the beach, he heard footsteps approaching and called out, "Are you a pigmy or a giant?" He heard no answer. Hearing another man approach, he again called out, but his question this time was: "What did that first man say he was, pigmy or giant?" The second man replied, "The first man said he was a giant." With this information, puzzle-lovers, can you tell us what the second man was? And by what logic the blind man knew?

Eleven surgical procedures are scheduled today, 34 patients were discharged yesterday, but 35 more are expected in today. Congratulations to Mr. and Mrs. Robert Johnson on the birth of their son. At printing time, three "Mamas-to-be" are waiting for a visit from the "big bird".

Have a good day.

Historical Society of Vigo County  
1411 S. 6th Street  
Terre Haute, Indiana 47802

Dear Dorothy Clark,

Recently when I attended the funeral of my cousin Louis Pearce I talked with Peggy about a letter I had previously written to Louis about some of our ancestry. Off and on I have worked on this for several years and I am finally at the point that my time is running out and if it's finished I need to get busy. Peggy suggested you.

I enlisted a person some years ago and she did send me some and I am enclosing the information about Catlin, Indiana. Also the list of Catlin Marriages from Rockville. I have checked the children of my Great Grandfather. James Catlin and Martha Ann Musser are Louis and my grand parents. I presume that the others are children of Hiram Catlin and he is a half brother of Robert Catlin my Grand father.

The only information we have is that Robert and Catherine Catlin came to Parke County from Jefferson County, Kentucky. Do you have any access to material to go further back than this?.

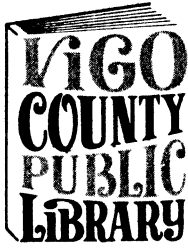

Another question I have is do you have any access to records in Vigo County as to where people are buried. The family in question is No. 4 on the list of marriages of Hiram and Hannah Elson Catlin. I do not have the date of Hiram Catlin's birth. He is the only one in Great Grandfather's family that I lack. I think he was buried near Louis' parents in Hyland Lawn Cemetery. Hiram had five children - 2 girls buried in the Pleasant Valley Cemetery in Parke County; 3 sons - Robert b. 10-12-1856, m. ~~12-22-1855~~ to Letitia Eaton 1879; Alva and Albert twins. I have that Alva died in 1945 and Albert in 1935. These three lived in Terra Haute. I do not know where they are buried. Robert was a lawyer in Terre Haute. He had a daughter Madge who died young and a daughter Ione who married Harry Gilbert. He became a law partner with his father in law. Ione died in 1968. I would like to get dates on these people if possible.

I am enclosing some material that might be of interest to you. Also I have called Peggy and asked to spend the night with her on Oct. 19th and visit with you on Thurs. morning Oct. 20th. I plan to go onto Indianapolis Thurs noon to attend the annual meeting of the Mental Health Assoc. in Indiana. Peggy said she would call you. Hope this possible.

Sincerely,  
Caroline Catlin (Miss)

I also copied the Catlin names from the Parke County, Indiana, Index of Names of Persons and of Firms. There is a town called Catlin in Parke county.

I am enclosing a brochure describing our collection.

Dear Folks -

I am a genealogist researching my family's ancestral lines. Could you please send me a list of books (County Histories and such) which I might obtain through Inter-Library Loan from your library?

I wrote to you before and you sent me a wonderful informative letter (your Vigo Co. Pub. Library Research Report) on some names I am researching, (Catlin, Flesher, Hogue, Baker, and Allen). I am intrigued by the ~~seemingly~~ huge amount of information there at your library!

#3 on the Research Report you sent me (Index of Names of Persons and of Firms in the Co. Histories) had eight "Catlins" named. Would it be possible for me to obtain a list of who these Catlins (first names) were? Enclosed is a dollar for copying costs if its necessary. Also, if the names are in alphabetical order, perhaps it wouldn't be too much of a hassle to make a copy of the pages pertaining to Flesher and Frijs, and also Hagues?

Thank you so much for your generous help. Folks like you make the hobby of genealogy very satisfying (and fun!).

Sincerely -
